

Festival Cocktail Making

Get into the spirit of Christmas

During this festive cocktail making experience you will create four amazing Christmas themed cocktails. Everything your guests will need for the event will be included in their event packages.

Whilst your guests make and drink the delicious cocktails, our experts will discuss the history of Christmas. Find out what eggnog was traditionally made from. Discover why we celebrate Christmas on the 25th December; and explore what would have been eaten and drunk during the 12 days of Christmas in years gone by.

Your experience can be personalised with our MemMail sending service which will ensure your attendees are in the festive spirit ahead of the event.

By the end of this experience your guests will be full of Christmas spirit!
