

Comedy Night

Laughter and fun from the makers of London Comedy Lunch

For the last decade, Inconnection has been synonymous with London Comedy Lunch, an annual Christmas networking event featuring famous names from the world of comedy. The success and format of the event has proven that business and comedy mix perfectly, creating long-lasting memories and opportunities.

Our Comedy Nights provide a highly accessible format for your own event – either online or at a venue with safe social distancing. We can even combine the two to create a hybrid event that expands geographical reach. Whatever your chosen format or budget, we have access to the best comedians in the business which we match to meet your brief and style of event.

As with all Inconnection events, MemMail is available to add something special – either at the invitation or participation stage – with personalised gift packs delivered direct to the door of your guests. It is the perfect way to create excitement, boost participation, raise profile and create social engagement.

Our ready made events are available for a fixed price per head – with the option to customise your format to meet your business goals for any number of guests.
