

Chocolate Tasting Experience

Event Overview

This unusual event gives guests the chance to learn from a master Chocolatier all about the art of chocolate and how to properly taste and enjoy it. Guests will receive a 16-piece couture chocolate box and with direction from the live host, they will be guided through a tasting, learning about their history and how to taste each one.

What's included

A MemMail pack in a fully branded box with brand coloured packaging and sealed with a logo sticker, including:

- The chocolates for the tasting experience
- Any additional drinks or gifts
- A printed information sheet
- A handwritten note with your message to each guest. Just let us know what you'd like to say and we'll take care of the rest!
