

Christmas Gin Tasting Experience

Event Overview

Led by a gin expert in a fully interactive live session, guests have the chance to learn how gin is made, the botanicals that make it so special and the flavour profiles of each of the selected gins with a festive theme. The host will then take the group through a guided tasting, explaining the recommended serves and garnishes for the professional touch. It's the perfect event for gin lovers or gin discoverers this Christmas.

What's included
