Event Overview

Our chocolate tasting session is perfect for anyone with a sweet tooth to enjoy either in person or virtually. Your guests will learn from our master chocolatier how to expertly taste chocolates. This interactive event gives guests the chance to not only enjoy chocolate but quiz our master chocolatier on the intricacies of confectioneries.

They will be guided through the selection of their box, the history of chocolate, and the unique taste of each piece.

This experience can also be added to complement one of our many other tasting experiences, or for the chocoholics add in a chocolate-making session with our master chocolatier as well.

MemMail

Our MemMail service helps your guests get everything they need for the perfect chocolate tasting experience. The personalised packages work to build excitement for the event and improve attendance.

Your guests will receive everything they need for their day with our master chocolatier, including everything they need for our the tasting session.

What's Included:

- A Personalised MemMail box including:
- 16 piece premium chocolate box
- A printed information sheet
- A handwritten note

We will send everything they need to take part, in a fully branded box, delivered straight to their door. The final touch on the box is a handwritten note with your personal message for your guests.

How Does it Work?

Guests will be guided through an in depth chocolate tasting in person or via Zoom. A professional chocolatier will take guests through tasting a curated selection of William Curley's signature fresh chocolates and learn all about the backgrounds behind each flavour.
