Event Overview

This Nordic tradition welcomes spring into any home or office ready for Easter. Our talented florist will guide your guests through creating a stunning Easter tree, perfect for adults and children alike and can be enjoyed in person or virtually.

Spring blossom twigs are set into a base along side daffodil bulbs and moss, ready to bloom over spring. Once set, decorate with painted eggs, bunnies, and fairy lights, giving it that Easter feel.

How Does it Work?

Guests will be guided through an Easter floristry session, in person or via Zoom, where they will learn how to paint and decorate their tree. Our professional florist will take guests through the steps of making an Easter tree and teach them all about this wonderful Easter tradition. After the session, your guests can ask our expert questions about anything floristry in the dedicated Q&A session.
