

Kilimanjaro

By Inconnection Adventures

Event Overview

This incredible 7-day hike follows the Machame route up to the summit of Kilimanjaro and then back again via Mweka camp. At an almost 6,000m ascent this is a trip for those who want to challenge themselves or their employees.

Only the first and final night will be spent in the hotel, with the rest of the six nights spent camping on the iconic mountain. Finish off with a beer (or beverage of your choice) by Mweka gate and then back to the hotel to freshen up and enjoy the celebration meal and certificate ceremony.

Event Scale

This event can be catered from just a small group to having a hundred person hike up the mountainside at once. A 3-month training plan is included plus a 30 minute online PT assessment to ensure all your guests are ready for their adventure regardless of starting ability.

MemMail

Our MemMail service is an optional extra to build anticipation and excitement for your expedition. There are many options to include from branded water bottles to pieces of kit, but there is no limit to what could be included within the personalised MemMail package.

They will be branded to your company colours and sealed with a branded logo sticker. After you've conquered Kilimanjaro, you can have a follow-up MemMail package sent to your guests with a picture of your team at the summit, either framed, on a keychain, or any other possibilities.

So, you can relax knowing the event will be run by qualified guides and instructors, plus all the insurances and liabilities will be in place for your expedition.
