Juicing Masterclass

Get energised with a juicing masterclass

Event Overview

Let your guests dive into the invigorating world of juicing led by our juicing specialist to guide them through making their own juices. The juicing masterclass is a fun and interactive way to get clients and colleagues involved together.

Whether your guests are local or spread across the UK, this event can be adapted to be live, virtual, or hybrid to suit your needs to create the best experience possible. Your guests will get the chance to learn from their juicing expert to blend a refreshing juice, and then can try their hand to create their own blends.

from
£250
per person

Price is per person per 15 people and excluding VAT, E&OE. Subject to availability. Please note that guests must be over the age of 18 to participate in this experience.

MemMail

Our MemMail service can be used to further build, anticipate, and boost attendance of your event. Your guests will receive their pack before the event with all the components they will need for a fun juicing masterclass. You have the chance to customise the MemMail with all your branding, colours, or other optional extras, finished with a handwritten note, adding that personal feel.

What's Included:

- The juice making equipment
- The ingredients
- A set of event instructions
- A handwritten note with your personalised message
- Any optional extras

Make it your own with the box, tissue, and shred in your colour of choice, branded glassware, finished off with a personalised, handwritten note and your logo sticker.

How Does it Work?

Your guests will arrive for the juicing masterclass and follow our juicing expert through creating a range of juice recipes. There will also be the chance to try and mix their own juice blends and to experiment and get creative.
