# Wine Tasting

A guided introduction to the finest wines

## Event Overview

Get those important to your business together for an exquisite wine tasting experience. Always a favourite, our wine tasting events are led by an expert ready to take your guests through a selection of the finest wines from your selected region.

This event is available live, virtual, or hybrid, to suit your business needs. Customise the wines your guests taste and even select your host to align best with your aims, from celebrity wine lover to professional sommeliers. After the event your guests will be left brimming with wine knowledge.

from  
**£250**  
per person

email us at [hello@inconnection.com](mailto:hello@inconnection.com)

Price is per person per 15 people and excluding VAT, E&OE. Subject to availability. Please note that guests must be over the age of 18 to participate in this experience.

## MemMail

Our MemMail service can be used to further build, anticipate, and boost attendance of your event. Your guests will receive their pack before the event with all the components they will need for a luxury tasting experience. You have the chance to customise the MemMail with all your branding, colours, or other optional extras, finished with a handwritten note, adding that personal feel.

### What's Included:

- 4 75cl bottles of wines
- A branded set of event instructions
- A handwritten note with your personalised message
- Any optional extras such as a branded bottle opener

Make it your own with the box, tissue, and shred in your colour of choice, branded glassware, finished off with a personalised, handwritten note and your logo sticker.

### How Does it Work?

Our expert will guide your guests through tasting techniques to lay the groundwork. Then they will talk about each of the selected wines, their background, and flavour profiles. The expert will help your guests understand which wines they prefer and why.
